## 2016 JUDGES PROFILES

<p>Cats are my life. I am very fortunate that both my hobby and my employment revolve around those felines that I love so much! I have been involved in the cat fancy for in over 17 years, in the Great Lakes region and a TICA judge since 2012, I have held various positions over the years which include Great Lakes Regional Director, TICA (2005-2012), Board Member, Purebred Cat Breed Rescue, Inc. I showed TICA's Best International Shorthair Cat for 2009-2010. (A Bombay). <p>Dr. Heather Roberts is an American International All Breeds judge in TICA and serves on the TICA Genetics Committee. Although originally from Texas, she has lived in California for the last 15 years. Currently she is the Dean of Sciences and Math at a small college in northern California. She is married to Jeff Roberts, also an All Breeds judge in TICA. The name of their cattery "PuraVida" reflects their love for paradise in Costa Rica. Heather breeds Singapuras and European Burmese and finds the incredible intelligence of the Singapura and the laidback personality of the European Burmese to be a nice balance in her life. Their breeding program focuses on healthy cats with loving temperaments foremost. She has also shown Bengal, Cymric, Siberian, Maine Coon, Somali, Bombay, and companion cats. She has had the extreme pleasure of judging in Australia and New Zealand several times over recent years. She enjoys the countryside, the new friendships, and of course the fabulous quality of the cats. She has imported cats from Australia and New Zealand for use in her own breeding program, and has exported cats back to Australia in an effort to truly internationalize some gene pools. She hopes to someday import a lovely Burmilla for her and Jeff to enjoy and promote in TICA. She has been an All Breeds judge for seven years and truly enjoys the pleasures of judging lovely cats.</p>	 <p style="text-align: center;"><b>HEATHER ROBERTS - TICA</b></p>

<p>Australian born I have been in New Zealand for 36 years. We live and work in Lower Hutt where we have a Mortgage Broking Business. My wife and I started out in the Cat world in 1998 showing a Cornish Rex or two. From there it didn't take long to move into breeding them. So we travelled to Australia and purchased both a stud and 2 queens for breeding and showing. By 2003 we started breeding Russian Blues as well. These are such loving and loyal cats and complimented the Cornish Rex that are comical and so busy all the time. For the last 4-5 years we have added Devon Rexes to our cattery but no longer breed the Cornish Rex. We continue to have a lot of success and fun with our breeding.</p> <p>From there I moved into judges training back in 2003 after years of working and stewarding at many shows around the Greater Wellington area and have thoroughly enjoyed the experience of judging cats in NZ.</p> <p>Outside of breeding cats and the cat world my interests include tramping, reading and travel. Over the last decade or so we have travelled quite widely through firstly Africa and then Asia. Highlights varying from truck tours through southern Africa viewing the big five to major mountain treks in Nepal and to a lesser extent in China.</p> <p>I am really looking forward to judging for the first time in Queensland, where my family live and seeing the wonderful cats there and avoiding a week of Wellington winter.</p>	 <p style="text-align: center;"><b>DAVID COLLEY - NZCF</b></p>
<p>I'm a cat lover from way back. In 1987, with my husband John, we started breeding Birmans under the prefix LEEGRGO. Then we went on to breed Tabby Birman with the prefix BIRPUR. I have been a member of the Birman Cat Club since 1987; I also belong to the Sacred Temple Cat Club of New Zealand and are a Life member, I have held position of Club President, Secretary and show Secretary. I have held roles on the NZCF Executive Council, over the pasted nine years.</p> <p>My Judges Training started in 1999, I became a Senior Longhair Judge in 2003, I became a All Breeds Judge in 2013, I am also a Longhair Tutor Judge. I really enjoy the judging scene, meeting the exhibitors of these beautiful cats, every time I am out on the floor it is very rewarding. I have judged in most of Australian States</p>	 <p style="text-align: center;"><b>JANICE DAVEY - NZCF</b></p>

My introduction to the cat fancy was in 1964, with Chinchillas and shaded silver Persians, my first breed. My mother acquired a Burmese in 1965, so that became another interest. Diversifying, I bred the first lilac tabby point Siamese on the bench in Australia, in 1969. Since 1985, I pioneered exotics in Australia ("Comyn" prefix), breeding quite a number of Group 1 (in Australia, Persian/Exotic and all Semi LH) Cats, Kittens and Neuters of the Year from 1987 through to 2010. In complete contrast, from April '97

I qualified as a judge of all shorthair in 1968 in the days when there was a very limited number of breeds in that category, and in 1971, added Longhair, British and Manx (as the licence then was) to become All Breeds.) In 1979, I became a FIFe International All Breeds judge, during the period ACF was a FIFe member body.

Since then, I have been fortunate enough to judge many times in all states and territories of Australia, as well overseas, for all member bodies of the World Cat Congress (WCC). I was the Australian Cat Federation Inc. delegate to WCC from 1995 to 2003, from 2006 to 2015 and am once again delegate.

For some years, I have been involved in various administrative positions within the Tasmanian (and national) cat fancy, and was Acting ACF President '97 - '98, ACF International Liaison Officer 1989 - 2003 (and from June 2006 to present day), as well as editor of the ACF Judges' Guild journal, "Felijudge" and the ACF Yearbook. I am Secretary of the committee of the Cat Association of Tasmania, and have been head judge tutor (All Breeds) in Tasmania since the 1970's.

**LESLEY MORGAN - CAT**

I was destined to be a cat lover, both of my parents having had cats throughout their lives. I had a large black and white domestic through my childhood, who lived to 17. My first pedigreed cat was a dear little apple headed Siamese. I was so convinced that she was the most perfect cat ever that I took her to a cat show, and, with ego deflated, my learning process began. I was in awe of the ability of judges to assess each exhibit and my goal was set to become one of their ranks. Forty years later, and having shared my life with Siamese, Russians, Australian Mists and Somalis, breeding and showing their lovely kittens, I have also progressed through the various levels of show management to achieve my goal of being an All Breeds judge, and Tutor Judge. I have judged in all Australian States, and New Zealand

I still find time to enjoy a varied life. My working life as an accountant closed in 2013, and I did not realise that retirement could be so time consuming and rewarding. My days are spent gardening, and enjoying the company of my cats. I have family and friends interstate to visit. I have been an Opera Australia subscriber for 35 years, am also subscriber to Australian Ballet, and enjoy most other types of music. My evenings are generally spent doing embroidery (cat designs, of course). I am also a very keen reader, particularly enjoying current affairs, history and biographies. I love my vegetable garden, and sharing its produce with neighbours.

My mantra for life is Learn something new every day.

**MARGARET STEED - GCCFV**

I am with the Governing Council of the Cat Fancy (Aust & Vic) Inc., better known as GCCFV. GCCFV is affiliated with the Australian Cat Federation (ACF). I completed my Group 2 (Siamese/Balinese/Oriental/Foreign White) course in 1998 and in 2002 I extended my licence to include Group 3 (all other shorthair). In 2008, I successfully completed Group 1 (longhair).

My breed interest is the British Shorthair, and my wife, Cathy, and I have been exhibiting and breeding these cats since 1994 under the 'Bevington' prefix. We specialise in the colours of blue and black. We have also bred Siamese/Oriental and Selkirk Rex breeds. We have been fortunate enough to have experienced a lot of success over the past years winning Group 3 Adult and Kitten of the Year. On top of this, we won Group 3 Breeder of the Year in 2009 and 2014.

I have completed many local and interstate judging assignments in Australia. I have also been fortunate to have judged at the Co-ordinating Cat Council of Australia (CCCA) National Shows in Brisbane in 2004 and in Melbourne in 2007. I judged at the ACF National Show in Adelaide in 2013. I also judged at the Perth Royal Show in 2011, the Royal Queensland Show in 2013 and the Royal Melbourne Show in 2015, as well as at the World Cat Congress Show in Melbourne in May 2010. I have also been lucky enough to have judged for a variety of clubs throughout New Zealand as well as at the New Zealand National Show in Nelson some years ago

**NICK TRICARICO - GCCFV**

I have owned cats my entire life, starting with farm cats as a child. I purchased my first pet Birman in 1990 and my first breeding Birman in 1994. With my husband Greg we have bred Birmans in Canberra, Townsville, Wellington (NZ), the Gold Coast and now at Murrumbateman. My first prefix - Kachin was granted in Canberra in 1994 and my current prefix - Sunsoar was granted in 1997. We have achieved many major awards at specialist and All Breed shows including Birman Cat Fanciers Qld Best Female Kitten 2008 and 2010 and Supreme Exhibit 2010 and 2012.

On the Gold Coast in 2006 I was able to commence training to become a judge and gained my Companion Cat licence in 2007 with QFA, followed by a Group 1 (Longhair) licence in 2009. I became an All Breeds Judge in 2014. While living in New Zealand I developed the quarterly magazine, Flash Cats which I continued to edit for several years after returning to Australia. Prior to moving to Murrumbateman, I held various positions including the Secretary of QFA Inc., Secretary of the Birman Cat Fanciers of Qld Club and President of the Gold Coast Cat Club.

Greg and I are enjoying our life in Murrumbateman and share our home with our Birmans and our new pets, three Alpacas Cherokee, Magic and Warlock. Aside from my cat related activities I enjoy patchwork quilting, web site development, travelling and spending time with the grandchildren.

**JENNY WEEKES - Cats NSW**

Geoffrey entered the Cat Fancy in the early 1970's with his first Blue Point Siamese. His prefix Apocalypse was granted in the early 1970's and he bred Siamese, Burmese and Abyssinians which he exhibited with success on the show bench. Geoffrey's other breed interests include Cornish and Devon Rex.

Geoffrey gained his All Shorthair (Groups 2 & 3) Judge's Licence with QFA Inc. in 1978 and followed on with his Longhair (Group 1) licence in 1991 also with QFA Inc. Geoffrey has judged in all States and Territories of Australia as well as New Zealand, Finland, Austria, the UK. The Czech Republic, Malaysia, South Africa and the Philippines.

Geoffrey is currently the ACF Judges' Guild Vice President and has previously held many positions in the Cat Fancy including President, Vice President and Treasurer of QFA Inc. and Vice President of ACF Inc.

Geoffrey works for the Department of Veterans' Affairs as the Quality Assurance manager for Income Support in Queensland and his hobbies include collecting antiques, cooking and travel.

**GEOFFREY DUMIGAN - QFA**

I have been involved in the Cat Fancy for a long time, both breeding and being involved at club level. My first love was Persians, but I now breed Birman. I have been listed on the QFA Inc. Judges Panel as a Longhair Judge since 1987. I have also owned 2 Scottish Fold neuters but am a true animal lover.

Currently I am semi-retired, but still like to do part time work when required.

Over the years, I have held executive positions in several clubs, but now I am Secretary/Treasurer of my club, Flash Felines Inc. and the Treasurer of QFA Inc. I am also a member of the Birman Cat Fanciers of Queensland.

**DENISE FIGG - QFA**

Jenni has bred and shown Abyssinians since 1989 under the "Asmara" prefix. She bred Abyssinian of the Year in 2000, 2005, and 2006. She has recently begun showing and breeding Ocicats, using "Asmara OCI" for naming the progeny.

Jenni is a Groups 2, 3 and 4 judge and is currently completing Group 1 training. She completed steward training in 2003 and enjoys that role as it allows her to handle many different breeds and to learn from all the judges with whom she works. She is also an experienced show manager who likes the challenges associated with running a successful cat show.

Jenni is a member of the Siamese and Shorthair Cat Club of Queensland Inc. and the Classy Cats Cat Club Inc. and is the latter's delegate to the Feline Control Council of Queensland Inc. She has a special interest in feline behaviour, genetics, and health and welfare issues.

Jenni has been a qualified veterinary surgical nurse for over 20 years and, while still enjoying that role on a part-time basis, now manages a very large, animal products distribution company.

**JENNI MCKERNAN - FCCQ**

Nadine entered the cat fancy in 1997 when she started showing desexed Persians but her love of cats started when she was 4 years old when she was given a White Persian Cat named Cleo by her Aunty. Nadine and her husband Luke were granted their prefix Shonstar in 2000 and began breeding Persians. Since then Nadine's cats have won many best in show awards, Supreme Exhibits at local and National level including Desexed Cat of the Year, Reserve Cat of the Year and in 2006 receiving Kitten of the Year with Shonstar Daisy Duke, our Blue Van female who is now loving being retired. One of her most memorable occasions was winning the 2003 ACF Inc. National in Darwin with her Black Persian Neuter, ACF AOE PDGC Katzrus Kuta Kinda.

Nadine began her judges training in 2002 becoming a Companion Cat judge. She later began Longhair (Group 1) training which was completed with QFA Inc. in 2007. Nadine has judged in Queensland, New South Wales and New Zealand.

Nadine has much experience in grooming Persians, running cat shows and has held many positions at Council and Club level. Nadine took a break from these positions when she and Luke had their first child Ryan in January 2007, then extended their family in 2011 with the birth of their Twin Daughters Grace & Isabelle. Nadine hopes one day to become an All Breeds judge and has been accepted to start the Shorthair Course with QFA in 2016. Apart from Persians she holds a soft spot for Birmans and Burmese. In 2015 Nadine and her family welcomed two Burmese kittens CJ & Poppy who are being shown in the desexed section, we are very happy to have these girls in our family after losing our first Burmese Casee in 2011 at the ripe old age of 18.5 years. I am so delighted to be on the judging panel for the Australian Cat Federation Inc. National Cat Show hosted by my Council Queensland Feline Association Inc.

**NADINE SAVAGE - QFA**

Brendon entered the cat fancy in 1997 with his first lilac point Balinese. In 1998 Brendon joined his mother Maureen who was breeding under the Ramada prefix. Their breed interests are the Siamese and Balinese and in 2006 another prefix, Balihi was granted. Their cats have won many major awards for them including QFA Group 2 Breeders of the Year in 2003 and 2004, Group 2 Cat of Year 2003, Reserve Cat of Year 2004, Best Exhibit of Breed awards from 2003-2006. They also achieved QICC Group 2 Cat of Year in 2004. Brendon was granted his Companion Cat judges licence by QFA Inc. in 2009.

Whilst not currently holding any club positions, Brendon has previously served the then All Breeds Companion Cat Club in the positions of Vice President and Treasurer from 2003-2005.

**BRENDON CRUTCHFIELD - QFA**
