5. Appointment of Auditor

MOVED: Carole Galli / Julie Pickens that Certified Accountant Susan Whittle be approved CatsWA Auditor for 2019. CARRIED

6. MOTIONS ON NOTICE

Moved: S Game/ D Hall that members of Cats United WA be permitted to show at CatsWA Shows, provided the registration papers and pedigrees are submitted with entries and conform to ACF Breeding Rules. Cats United WA registered cats will not be eligible for ACF Awards, nor Cat of the Year Points.

Rationale. Cats United WA is not recognized as a registration body by ACF, nor CatsWA. But CatsWA Governing Council has the ability to give special dispensation in regard to showing, under the above conditions, until this issue is discussed at the ACF AGM in June 2019.

This motion is put forward so our Members may vote on the matter. The mover and seconder do not support or oppose the motion, but have put it forward for discussion and decision by our Members.

There was extensive DISCUSSION on the motion. It was NOTED that CUWA members would not be permitted to show in COAWA shows, nor at the ACF National until they were 'recognised'. This matter would be on the agenda of the ACF AGM on 11 June 2019. ACF were waiting for CCCA to support its new member by advising ACF how CUWA had met the CCCA criteria (as per their own By Laws on their web site) for new member bodies, as this group had not been operating publically prior to applying to CCCA. There was not much support for CUWA.

The motion was put: There were Nine votes AGAINST and one formal ABSTENTION. There were no votes FOR the motion. The motion was LOST.

7. GENERAL BUSINESS

7.1 Governing Council for 2019.

Two Nominations for three vacancies were received by the due date last year from Carole Galli and Lee-anne Pitman Pryde – and they are automatically appointed for a three year term. Following resignations from Council, Delaine Hall, Linda Horton, Susan Lewis and Fionna Wheatley were appointed as Casual Members for the remainder for 2018 and for 2019. Council for 2019 will therefore comprise eight members: Carole Galli, Susan Game, Delaine Hall, Linda Horton, Susan Lewis, Julie Pickens, Lee-anne Pitman Pryde and Fionna Wheatley

7.2 2020 ACF National Show.

This will be run by CatsWA weekend 6 and 7 June in Perth, followed by the World Cat Congress meetings and seminar. CatsWA Council would welcome support and commitment in the organizing committee from its Members. Preliminary planning is in hand. Members should contact President Carole Galli.

7.3 “*Cat Call*” Editor. A new Editor is needed. Members are welcome to offer – please contact President Carole Galli. Currently *Cat Call* is sent to all members out electronically as a .pdf. With just a few being posted. The cost of hard copies and post and the time required was DISCUSSED.

7. CLOSE AND THANKS. The President thanked everyone for their attendance and closed the meeting at 9.11pm

CatsWA President’s Report 2018 – Carole Galli 21 January 2019

2018 Marked 50 years since our association was formed as Feline Control Council of Western Australia. FCCWA went on to officially incorporate as an association in 1969. This year we will be celebrating this anniversary with a special show in June. Hopefully we can get some of the retired members to come to celebrate and share some history with us newbies.

2018 for the most part was a successful year with a very active show calendar and cats and kitten registrations stable at around 850. It is clear now that there were some simmering issues within the members of Governing Council that they felt they could not resolve. As you know, this resulted in a breakaway group forming a new association and seeking affiliation with CCCA. What had up until October was a happy and successful year imploded overnight.

Cats WA has lost approximately 12 members to this new group who have called themselves Cats United WA, strikingly similar to CatsWA. Sadly 4 members from our Governing Council. Maree Carle, Janis Thompson, Michelle Harris, Tara Carle, plus Pamela Lanigan are the core group who have formed this association. You will be asked later in the meeting to decide how we deal with this group moving forward. Sadly this group were the team who also ran our shows for the last year or two. I must say that the COTY lunch was a very sad event. These people are a huge loss to us but we must remember that before they came across from COAWA CatsWA was functioning well and we will continue to do so.

I ask all our existing members to actively seek new people who are interested in showing their cats, both pedigree and domestics. We must attract new people to this hobby we love and look at more ways to engage people and retain them.

Just as this group left our new computer crashed and had to be repaired under warranty.

Unfortunately this required the settings to be reset and we lost all the data. This was NOT the pedigree database but all the office documents. We need to re-establish many documents and Title templates, so I ask for your patience. Membership cards will be printed and sent out by the end of the month.

WE have 18 months to prepare for the ACF National Show, which also incorporates the WCC in 2020. This is a wonderful opportunity for us to showcase CatsWA and Western Australia.

There will be exciting opportunities ahead and I invite you all to come on that journey and get involved. You have seen the Virtual Cat Show run by Julie and Linda. This was a first in WA and attracted an excellent entry of 174 cats. A great show with no setting up of a show hall. It was a lot of work for Linda in particular and we thank her for that wonderful effort. This has raised over \$1000 – a great start to and exciting year.

Focus for 2019

- Financial security for CatsWA
- Strategies to increase kitten registrations and reduce BYB
- Ongoing development of strong show calendar
- Ongoing judges and stewards training

- Office to be open at least one day a week
- Strong and active Governing Council
- Increased membership and participation by existing members
- Increased involvement and participation from the broader non-breed community.
- Involve cat rescue facilities.
- Open and inclusive culture

**CATSWA SECRETARY –
REPORT TO ANNUAL GENERAL MEETING 21 JANUARY 2019
SUSAN GAME**

I was appointed to this position at the beginning of the year, taking over from Maree Carle. The Governing Council met 10 times during 2018 and had a productive and enjoyable year, until October 2018. For most of the year Council comprised Carole Galli (President), Janis Thompson (Vice President) Sue Game (Secretary), Monique Whitty and then Maree Carle (Treasurer), Judy Kluczniak, Michelle Harris, Julie Pickens, and then Tara Jackson joined us for a couple of meetings following the resignation of Monique Whitty. After the resignation from Council by Janis, Maree, Michelle, Judy and Tara, Casual Members were appointed for November and December 2018 meetings and for 2019. These were Susan Lewis, Fionna Wheatley and Linda Horton. Linda took on the role of Treasurer in November, and Julie Pickens was appointed Vice President.

Carole Galli and Lee-Anne Pitman Pryde were nominated by the published due date in 2018 to commence a three year appointment to Council in January 2019.

Jo Nolan has proved to be an excellent Registrar, following expert training from Carole Galli, and the two ladies share our Registration work, providing accurate documentation and pedigrees in accordance with ACF Breeding guidelines, and in a timely manner. Judy Kluczniak assisted in the office every Wednesday for most of the year, for which she received a basic honorarium until August 2018. Our thanks to Judy for this support of CatsWA.

SHOWS FOR 2018

 25 March – CatsWA Show
 29 April – CatsWA Show
 5/6th May – Rabbit Extravaganza.
 27 May – CatsWA Show – 2 Rings Fundraising Show
 9-10 June – ACF Nationals - Adelaide
 24 June – CatsWA Show – 3 Rings
 15 July – CatsWA Show – 3 Rings
 19 August – OSCC (was 27 but Cyril Jackson not available)
 8 September – British SH Cat Club
 Sep/Oct – Perth Royal Show
 21 October – Southern & Siamese/WA Cat Club Show – 3 Rings
 17 November – Osborne Park Show run by SSCC

Maree Carle was show secretary for quite a number of these and did a great job ordering Rosettes and coordinating sponsorship, and using Damien Heisman/Pamela Lanigan's Software for shows. Thanks extended to them and to all those committee members and show exhibitors who helped to make this show year very successful and enjoyable.

We have now obtained the use of a more modern and, I am sure, more efficient show management software which is being made available to ACF Member Bodies – we are being tutored in its use right now, and hopefully it will be running for our first show in March.

'DISCIPLINARY' MATTERS. Council sometimes has to mediate between breeders and purchasers in regard to 'complaints'. These very often turn out to be misunderstandings and

over-reaction so we play a valuable role in bringing the two together. Sometimes this cannot be done, and unfortunately after several months and involving the State Administrative Tribunal, several registered letters, and eventually her resignation, it was ruled in our favour that we had no case to answer for one 'ex member'. We had taken her to task in regard attempted (alleged) fraud and (alleged) breach of breeders code of ethics in regard to health of animals and provision of correct pedigree documentation.

CAT LAWS - By the same token Council will support our members/breeders in their liaison with local government. We are seeking to be closely involved with review of the Cat Bill 2011 – which was forecast for 2018 – but nothing appears to have happened as yet.

TITLES Applications for show Titles have rolled in during the year, and each month there are always three or four for Council to approve. These are published in Cat Call – but no doubt we will be putting them on our new Facebook Page J

BRITISH SHORTHAIR / SELKIRK REX. Early in the year one of our members imported a 'British' from Europe, but on study of her pedigree it was discovered that this kitty had Selkirk Rex ancestry not far down the line. ACF Breeding Rules published on the web site and which of course we follow; state that once Selkirk Rex is introduced into British Lines, the progeny can no longer be considered British. The owner was most distressed to receive confirmation of this but was offered by CatsWA Experimental Breeding Panel the opportunity to use this imported Selkirk as the foundation of an experimental breeding program, so her kitties would be registered as British Generation 1 and so on.

CatsWA was well represented at the ACF NATIONAL SHOW and at the meetings held 8-12 June 2018, Adelaide. CatsWA delegates were myself and Janis Thompson. Carole Galli is the ACF Secretary so does not actually speak on our behalf, but she does a grand job, which takes a lot of her time in this vital role.

CatsWA proposed a motion that was passed by ACF that in future all imported British to be registered by ACF member bodies must be able to show only British breeding for 8 generations. There was a lot of discussion on this one, but it was passed 7 to 4 by the member bodies. It is understood this is sometimes difficult to achieve, but British breeders are keen to maintain the integrity of the British lines and it sometimes I not obvious if a Selkirk is in the lines, until a 'funny' coat appears, or wrong type.

MEMBERSHIP has remained stable for the whole year at some 100 members, until of course the advent of CUWA. We can expect some drop off naturally but we have a good basic membership core and I am confident we will continue to grow and prosper. In my opinion it is unfortunate that we now effectively have four registration bodies in Western Australia with a very small cat fancy, and this of course fragments all our resources and strengths. I would like to personally put on record that I was surprised and hurt that our colleagues, who were on Council and Office Bearers should form a rival /breakaway registration body, and call it Cats United WA. For me personally and as Secretary, there was no notice, no explanation or discussion, and especially no need for their action. My phone calls were not returned, and obviously I have not had an opportunity to reconcile. In my opinion, it is such a pity, as this group had every opportunity to raise issues and to vote for changes they felt desirable in CatsWA.

ACF NATIONAL SHOW 2020 AND WORLD CAT COUNCIL MEETING – PERTH – 12-15 June 2019. Preliminary planning had commenced, a venue booked, meeting with Robbie Walker the International Liaison Officer (Judge organiser), roles tentatively assigned. CatsWA offer to host this event was accepted by ACF some time ago and serious thought must now be given as to our capacity to deliver. We need more members and friends to come in and put up their hands if we are to run this event.

CAT OF THE YEAR LUNCHEON – held 25 November at the Last Drop Brewery was a very pleasant, if low-key, affair with our friends from COAWA and ANCCats attending as well as our winners.

SHOW CALENDAR for 2019 is now set up and on our web site.

PROMOTION / PR. Linda Horton continues to be our liaison person with the Web Site –

which is well structured and maintained. Linda and Julie put forward the idea of the CatsWA Facebook page – which is now up and running. A great initiative. And the VIRTUAL SHOW conducted over December 2018 and January 2019. A resounding success – no results yet though J

On behalf of Council, I thank our loyal members and newbies. We will continue to support you with sound administration; accurate registrations, ethical decision-making and well run shows. We look forward to a good year in 2019 and celebrating our 50 years in operation.

TREASURERS REPORT TO AGM Jan 2019 – Linda Horton

CatsWA had four treasurers in 2018. We started the year with Michelle Harris, followed by Monique Whitty, with Maree Carle undertaking treasurer's duties from mid-year. Thanks to all three of them for their time and efforts. The position of treasurer fell vacant with the departure of Maree Carle in November 2018. I renominated for a casual position on Council and was appointed treasurer at the Governing Council meeting held 19 November 2018. In 2016 an audit report had recommended that CatsWA look at investing in MYOB to manage our finances. The program was purchased, set up and was used to some extent during 2018, but has not been updated for several months while previous treasurers maintained the accounts manually. Since taking on the role, I have been endeavouring to update the records on MYOB so that we can utilise more of the functions that are available, including the ability to classify income sources and expenditure to identify pain points and where changes are needed. This update is underway, but is not yet complete. There was minimal fundraising activity in 2018 but we have started 2019 well with our Virtual Cat Show raising well over \$1,000. This has also proved to be a good branding exercise and we need to continue to ensure that we have fundraising activities to provide both an income stream and to enhance the visibility of CatsWA. Fundraising and building up our membership will need to be a focus for 2019. We would anticipate that kitten registrations will be impacted significantly by the departure of several high volume breeders. Some of these departing members had already renewed their membership so the full impact on memberships will not be realised until next year. Increasing our membership with other breeders and exhibitors will help mitigate any potential losses. We have an opportunity this year with our 50th anniversary to promote CatsWA and the credibility of our database, with a long history of pedigrees and influence in the Cat Fancy in Australia. This depth of knowledge and experience should be emphasised in our fundraising for CatsWA during 2019. One of the issues that all past treasurers have reported has been the difficulty in identifying payments through direct debit. This continues to be a concern and while some members are diligent at sending through an accompanying email outlining the details of their payments, others don't, making it difficult for CatsWA to properly identify their income. This is something that will need to be addressed in the near future. CatsWA holds 4 bank accounts, of which two are our main operating accounts. The other two accounts were associated with the 2015 National Show and the now completed mortgage on the Royal Street Property and will need to be assessed to determine whether they are still required. The other two accounts are transactional accounts, being a cheque and savings account and through these accounts we manage our incoming and outgoing transactions.

CATSWA JUDGE TRAINING CONVENORS – REPORT TO ANNUAL GENERAL MEETING 21 JANUARY 2019. SUSAN GAME AND BETTY PAYNE

Betty and I have not been as busy as other years with training. While our current Junior Judges have forged ahead, we would love to take on new cadets. It is a big commitment, yes, but training can be taken at a cadet's own pace and the ACF training scheme and documentation are a terrific resource.

The love of judging your beautiful pedigree cats is what drives Betty and I and we are honoured to be able to pass on our knowledge to others and see them 'grow'.

It has not been possible to do a lot of training at shows as there have been a majority of three ring events, and it would not be fair to the cats to take them out for a fourth time for training we do not think. We have done several 'in house' sessions with longhair breeds for Carole and Michelle Harris.

Carole Galli attained her 'all shorthair' status when she was approved as a Group 2 ACF judge, along with her accreditation as Group 3 mid year. Congratulations Carole. Lee-anne Pitman Pryde is so close to being all breeds – she just needs a couple more Group 2 assignments and then she may apply to ACF to be a National All Breeds Judge. We are very proud of her – it has been a long journey has it not Lee-anne.

Kirsty Connell has completed her five assignments to allow her to become a Group 1 Open Judge – she just needs to get the application in. Likewise Nick Skeet has completed all his Group 3 Junior Assignments and is eligible to be an Open Judge. He has also completed his practical assignments and should be ready to take his Group 2 exams. We have given them several nudges

Betty and I were very disappointed to see Pamela Lanigan and Michelle Harris resign. Michelle had been accepted by Council as a trainee and done several assignments with CatsWA for her Group 1. A great deal of time and support was given to Pamela in particular, who we trained from the beginning over several years, to be a Group 3 Open Judge, and then through to Group 2 Junior. It was distressing when Council had to suspend her at the beginning of the year. What can we say, except that without rules to follow, there can be no value to what is achieved.

Onward and upward – please do not hesitate to chat with Betty and Sue if you feel you have what it takes to be a judge – you probably have. We will support you all the way

Code of Conduct for all members

Did you know that CatsWA has a code of conduct?

A code of conduct is really important because it acts as a guide and reference for all members. It helps to clarify CatsWA's values and principles and is a visible statement to the rest of the world what we stand for. Anyone who deals with CatsWA can look at our Code of Conduct and they will get a sense of who we are and what is important to us. Our Code of Conduct incorporates the standard of ethics that our breeders abide by and provides a reference point for Governing Council when they are dealing with any situations that may arise. The full code of conduct can be found on our website www.fcc-wa.com

General Principles of Conduct

General principles to guide the behaviour of CatsWA members include that all members must:

- a) Act with reasonable care and diligence
- b) Act with honesty and integrity

- c) Act lawfully
- d) Avoid damage to the reputation of the CatsWA
- e) Treat others with respect and fairness.
- f) Abide by any rules, regulations or guidelines as determined by CatsWA including Breeding, Showing, membership of Governing Council or any other activity. Such regulations will be available on the CatsWA website.
- g) Comply with the WA Cat Act (2011) and any other relevant legislation.

Don't forget to keep an eye out on our website for news, updates and show schedules. Our kitten page, is an extension of the breeder's directory, and helps to link those breeders who are registering kittens with potential kitten buyers.

CATSWA STEWARD TRAINING

Stewards play a very important role in our shows and accreditation courses are conducted during the year. Contact Susan Game – 0409 082 395.

A First Timers Guide To Showing Your Cat

As you are all probably aware, CatsWa held a successful afternoon tea in Kewdale, talking to people, who are new to showing. Julie Pickens did a great presentation showing how to set up a cage, what to bring with you and Sue Game did a demo on how a cat is judged. Here is a quick guide and recap.

Entering our shows is easier than ever before. Register by going to the website www.catshowsonline.com and click on “register here” and get started. The programme will walk you through how to register and enter... Easy Peasy! With the new online

registering, you will need to upload vaccination certificates and any pedigree certificates. Once your cat is uploaded, you will not have to do it again and each show you wish to enter, you will just have to select the cat and pay a fee!

Once you have registered all you need to do then is get your gear together and show up with your pusscat.

Julie recommended taking:

- Claw clippers- if you are a newby, Julie recommended asking for help.
- Water & food dishes (Julie had fab ones that clip onto the side of the cage but normal ones are fine)
- A small plastic container for litter (a large flat lunchbox from a \$2 shop is fine)
- Some food and a water bottle
- A few toys
- Cage curtains (these can be purchased or home made or borrowed on the day)
- Something soft for the bottom of the cage with either a hot water bottle or similar or gel cooling pads
- Brushes, wet wipes, plastic poo bags.

When you arrive you will be given a cage number, in your group. You follow the numbers around and set up in your designated place.

Judging usually begins quite promptly on time. Owners are invited to sit and listen to the judges. If you need to leave, then please let someone know with a telephone number, so that you can be contacted. This show, CatsWa are trialling inviting owners of domestic cats leaving before the full day is done. Everyone is invited to stay, but lunch time, in the break, is the opportunity to pack up, if you want to.

The cats are usually grouped four groups, i.e. long hair, shorthair, slinkies and domestics etc. and they compete against each other to be the best in that group. They also compete against the same breed and then against the class of cat i.e. adult, kitten, male, female.

This time, judging for domestic cats and winners will be announced prior to lunch. Breed varieties will be announced at the end of the day. It can take a while, so you may like to take a book and some snacks. The shows have a canteen, where you can buy hot & cold drinks, cakes etc. Greg is doing the canteen on the 24th and he puts on a great spread. CatsWa are a friendly bunch and you may that, as you meet new people, you will spend a lot of time talking to the other people at the show. The judges are usually happy to have a chat as well.

A good way to find out what goes on is to visit a show as the 'general public'. For a dollar or two you can view all of the cats and get a feel for what it is like to show your pusscat.
