FELINE HEALTH RESEARCH FUND

The FELINE HEALTH RESEARCH FUND supports the advance of feline health so that no kitten or cat suffers from a preventable sickness and to ensure first rate treatments are developed to keep cats well, raising and directing much needed financial support to areas of feline research affecting the breeding and well-being of cats in Australia.

Donations from organisations, cat owners and breeders and members of the public are greatly appreciated by the FHRF as they allow continued funding of research projects. All donations of \$2 and above are tax-deductible. Ways in which to donate, including through PayPal, are listed on the website www.fhrf.org.au
