FELINE HEALTH RESEARCH FUND

The FELINE HEALTH RESEARCH FUND supports the advance of feline health so that no kitten or cat suffers from a preventable sickness and to ensure first rate treatments are developed to keep cats well, raising and directing much needed financial support to areas of feline research affecting the breeding and well-being of cats in Australia.

Donations from organisations, cat owners and breeders and members of the public are greatly appreciated by the FHRF as they allow continued funding of research projects. All donations of \$2 and above are tax-deductible. Ways in which to donate, including through PayPal, are listed on the website www.fhrf.org.au

CatsWA (Feline Control Council of Western Australia) was formed in 1968, when existing Cat Clubs in Western Australia decided to merge and form one association. The newly formed Council became a "Breed Society" under the Royal Agricultural Society of WA. It remained under the patronage of the RAS until 1988. At that time it was decided that CatsWA should become an independent body.

Today, CatsWA is made up of breeders and show enthusiasts from all over the state. Members are governed by a strict code of ethics about how they care for their cats. That is why when you buy a kitten from a CatsWA registered breeder you can be assured that that kitten has had the best possible start in life. CatsWA owns an office in St James where volunteers process registrations and maintain our huge database of pedigree cats.
