Numbers that are struck out were cats that were absent on the day.

The Feline Control Council of Western Australia Inc was formed in 1968, when existing Cat Clubs in Western Australia decided to merge and form one association.

The newly formed Council was incorporated in 1969 and became a "Breed Society" within the Royal Agricultural Society of WA.

It remained under the patronage of the RAS until 1988. At that time, it was decided that the FCCWA Inc. should become an independent Body and take charge of its own affairs.

At the 2014 AGM, FCCWA members adopted the name CatsWA as its trading or operating name. With the introduction of the Western Australian cat laws, and a much more regulated environment about cats, it was an opportune time to move away from the word "Control" and rebadge ourselves to clearly separate our organisation from those functions that are enforcing cat laws. Feline Control Council of Western Australia (Inc) remains the official registered name of the organisation.

Today CatsWA owns an office in Kenwick where volunteers process registration and pedigree data, and deal with the day to day running of our association.

We are proud of our long history and experience with the Cat Fancy in WA and are thrilled that so many of you have joined us to celebrate. Thankyou and we look forward to many years of showing and many beautiful cats.
